

Oh You  
The owner of all  
What it's good  
The bringer of joy  
The cause of love  
Please don't go  
Stay by my side

Because it's only in You  
That the beauty resides  
Propagates and multiplies  
At the speed of the light  
Almost all over the world  
Making it a home for all of us  
Even for zillions of flies  
And time it's only a thing  
That passes and goes away  
by our side as a dark river  
Too muddy cold and wide  
to swim or to mess with it

But surround us with a fresh breeze  
That make us stay numb by its side  
Laughing without knowing why  
Enjoying our life that is almost unreal  
But that must be as real as the river  
Because we are seeing it to come and go
