

A sunset over a body of water with a silhouette of a person in the foreground. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. The sky transitions from a deep orange near the horizon to a dark blue at the top. The silhouette of a person is visible in the lower right corner, looking out over the water.

Someday , somebody will find
The way to go to deep space
At light's speed will cross
The black sea between stars
Bright its sails will shine
Of thunder and ray its oars
Frost seas in obscure lands
Will hear the goodbyes from
The son of the man's child .
