

## **Vote for Peace**

If the night got you  
in the barbed wire  
that protects the trenches  
of nightmares

If the noise of shrapnel  
and the thunder of explosions  
didn't let you sleep  
We'll tell you  
that it was only a shower of stars  
And you just must say your wish  
Because We'll push the sun  
for the dawn to come soon

If you lost control  
and see the sky  
grayer than yesterday

If illusion leaved you  
and you found a tombstone  
with some epitaph  
dry and dusty  
where was your garden  
Don't try to read it please

We'll give you a hug  
with a touch of hope  
We'll light the southern cross  
so you can guide yourself  
and find your way home

Because after all  
We are more  
We condemn war  
We are more  
We vote for love
