The great Canaima

With hands, teeth and feet

With bow and arrow

War

With bronze steel or stone

War

With harquebuses atomic bombs

stealth bombers

with viruses

With misinformation

By all means

War

For better or worse

War

To continue politics by other means

War

So that my God be yours

War

Because the king got bored

Out of desire to fuck them

War

Because the prince wants to be king

For the revolution

For independence

for the flag

To redraw borders

War

To release the merchandise

because the warehouse was filled with bombs

War

For oil markets raw materials

For gold and diamonds

Through mud, sand and dirt

for any subject

War

For peace, justice, reason and law

Out of madness, whim and stupidity

Why or why not

War

By means of wars

the human animal

conquered the earth

but the ants

are ahead of us

I propose a large park

for all humanity

We are going to put cameras on it

We will see it only from the outside
To see if the ants already
conquered the tepuys
And to see what happens to the earth
when there is no war
