

THE MIRAGE OF REALITY

Edgar Bueno
Abr/25/2024

FOR ETERNITY

The wonderful trumpet
sounded on the car radio
scaring away the monotony
that was passing
with the breeze

It was definitely Armstrong
Then the horizon
burned in its distance
until the song faded

She waited patiently
while the clouds
loaded with rain
waved to the west
of the highway

Surely waiting
for the rainbow to come out
because it was
in that precious moment
when Ella Fitzgerald
gave us for ever
Summertime

Edgar Bueno
